

Multi-Media Authorization & Release Form

Dear Parent/Guardian:

Throughout the coming school year, your child and your family members are going to be participating in many school events. Images may be taken during these events that include members of your family. Such images play an important role in sharing our great work and promoting our small school in the local community and beyond. With your permission, Walbridge School would like to make those images available throughout our media such as Facebook, the school website, videos, newsletters, and marketing materials. To do this we need your permission. Please fill out the form below and return it to the school by August 1, 2016.

Thank you,

Colleen Lourigan
Director of Education
